

# Panasonic

## ER-GP30

### VERSATILE AND EASY TO USE

#### Compact, elegant and dynamic,

The ER-GP30 is designed for professionals who want to explore cutting techniques and perfect their skills.

#### Very easy to use,

It's light and easy to handle: only 130 grams!

#### Ergonomic profile,

It offers working comfort and can be used with or without the cord!

#### Cutting versatility,

It has 6 cutting lengths thanks to the 3 double comb attachments provided (3/6 mm; 9/12 mm; 15/18 mm), that let you create all styles!

#### Precise cuts, sharp cutting edge,

The highly resistant stainless steel blade, sharpened at a 45° angle, lets you work quickly even on thick, dense hair.

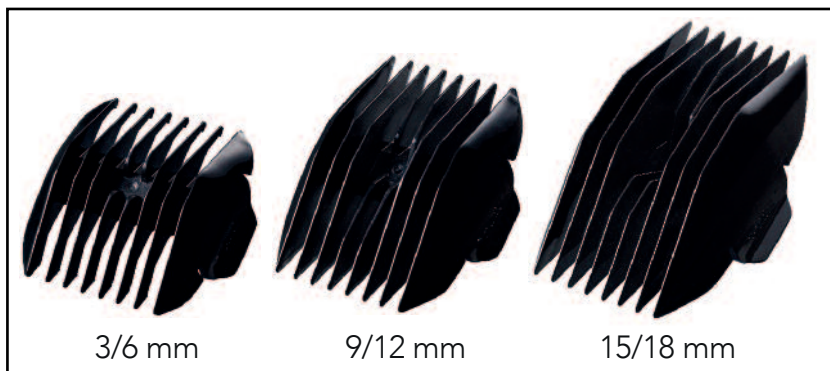

With the ER-GP30, you'll enter the world of Panasonic professional clippers!
